### "Ooh, Cute Shoes!"

You'll hear that (and probably say it too) at "The Art of the Shoe," set for March 21-May 5 at Linus on 2724 Routh Street in Uptown Dallas. Owner Kristen Radakovich designed her place so you could relax while you preview elegant footwear from the world's top designers. The spring/summer collection features 400 pairs of shoes, ranging in price from about \$200 to \$1,000.
